ASSEMBLY BILL

No. 2408

Introduced by Assembly Member Allen

February 21, 2014

An act to amend Section 52074 of the Education Code, relating to school accountability.

LEGISLATIVE COUNSEL'S DIGEST

AB 2408, as amended, Allen. School accountability: local control and accountability plans: California Collaborative for Educational Excellence.

Existing law, on or before July 1, 2014, requires the governing board of each school district and each county board of education to adopt a local control and accountability plan and requires the governing board of each school district and each county board of education to update its local control and accountability plan on or before July 1 of each year. Existing law requires the plan to include certain elements, and requires the charter for a charter school to include some of those same elements.

Existing law establishes the California Collaborative for Educational Excellence for the purpose *purposes* of advising and assisting school districts, county superintendents of schools, and charter schools in achieving the goals set forth in a local control and accountability plan. Existing law requires the collaborative to be governed by a board consisting of 5 members, as specified.

This bill would add a representative of charter schools and a parent of a California public school pupil, each appointed by the Governor, to the governing board of the collaborative. ~~To the extent these provisions~~

~~impose additional duties on charter school officials, this bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~yes~~*no*.
